of the 31 properties in the Fort was sanctioned in G.O. of 15th March 1917, the cost, limited to 1 lakh, being met from the normal grants of the Board for the years 1916-17, & 1917-18

5 An additional grant of 1 lakh was however sanctioned to the Trust Bd in G.O. Nos 6527-9 Mil 108-16-5 & 7572-3 Mil 108-16-6 of 1st April 1917 & 28th May 1917.

6 The normal grant of Rs 3½ lakhs for 1916-17 was thus enhanced by this additional grant of Rs 1 lakh

7 It will thus be seen that the statement referred to in para 2 of the Asst Private Secretary's D.O. letter has not been departed from as surmised by him and no amendment of the G.O. of 15th March 1917 seems therefore called for

8 Apparently the addition of 1 lakh to the normal grant of 3½ lakhs has not been taken into consideration in the Asst Private Sec's D.O. and the Chairman's letter of 27th July 1917 to the Home Secretary forwarded therewith

9 It is no doubt true that the ~~addition~~ sum of one lakh of rupees sanctioned in addition to the normal grant of 3½ lakhs during the past year, was not ear-marked for acquisition of properties in the fort But as mentioned in para 7, the statement in the Dewan's DO of 21st May does not, I think, necessitate any modification of the G O of 15th March

10 It is observed from the Chairman's letter of 27th ~~June~~ July that 7 properties in the fort have been acquired at a cost of Rs 35,141, ~~in the past~~ and that he considers it not possible to set free any further sum out of the normal grant for this year (1917–18) for acquisition of further properties in the fort

11 An additional grant this year also for this special purpose may therefore be necessary The Chairman has been separately asked demi-Of under instructions from the Dewan ~~as to~~ how much money would be required as a special c

The Palace, Mysore,
31st July 1917.

Dear Mr. Hiriyanmaiya,

It having recently come to notice that the work of acquiring unsightly houses in the Mysore Fort was not being pushed through as vigorously as might be expected, the Chairman of the City Improvement Trust Board was requested to state how far effect was being given to Government Order No.3017-9/M1. 24-15-128 dated 15th March 1917 sanctioning the acquisition of all the properties referred to by the Chairman and directing that the expenditure on that account should be restricted to a lakh of rupees, only such properties the acquisition of which was really urgent being taken up for the present. The reply received from that officer explains that the acquisition proceedings could not be vigorously pushed through because in the said Order of Government it was directed that the cost of acquisition should be met out of the normal grant of the Trust Board. That this was the correct interpretation of Paragraph 3 of the Order is evident from a summary of the same as quoted in the monthly Proceedings volume for March 1917.

The Dewan's D O. letter No. H 155 dated 21st May 1917 to Mr M H Campbell and the reply thereto are clearly to the effect that the allotment sanctioned for the acquisition in question was intended to be in addition to the normal grant of 3½ lakhs in the Trust Board budget but it is not known why this has not been made clear in the Government Order.

I am therefore directed to request you to kindly explain the situation to the Dewan and, with his approval, have orders passed amending the Order referred to

above so as to be more in conformity with the real intentions of Government.

Copies of connected correspondence on the subject are sent herewith for ready reference.

Yours sincerely,

S Hiriyannaiya Esq., M A , B L ,
Private Secretary
to the Dewan of Mysore,
Bangalore.

Nilgiris, 21st May 1917.

My dear Sir,

Mr. Mirza informed me that an additional grant was needed by the Mysore City Improvement Trust Board in connection with the acquisition of properties in the Fort In March last, the Chairman had asked for an additional allotment of Rs.1,00,000 during the current year, but a grant of Rs.50,000 only was sanctioned by Government and this was approved by His Highness on 3rd May

In view of the need for more funds to carry out urgent works, an additional amount of Rs 50,000 may be sanctioned at once, if His Highness approves This will have to be done as a special case in addition to the grant of Rs 3½ lakhs for the current year The Chairman will be requested to arrange his future programme of work in such a way that the usual grant of 3½ lakhs is not exceeded.

Yours sincerely,

D O.No.140

The Palace, Mysore,
28th July 1917.

Dear Mr Lakshmana Rao,

May I request you to kindly let me know if the Government Order sanctioning the acquisition of certain properties in the Fort at Mysore is being given effect to?

Yours sincerely,

D O No.17

Mysore City Improvement Trust Board,
Chairman's Office,
Dated, Mysore, the 27th July 1917

Dear Mr Mirza,

With reference to your D O letter No.140 dated the 28th July 1917 I beg to inform that the Government Order sanctioning the acquisition of certain properties in the Fort, Mysore, is being given effect to, but for reasons given the progress has rather been slow.

In their above Order No 3017-9/Ml.24-15-128 dated the 15th March 1917, Government while sanctioning the acquisition of 31 properties (notified in the Mysore Gazette dated the 22nd March 1917, Page 219 and 245-46) estimated to cost Rs 1,84,489, have observed that only such properties the acquisition of which was really urgent be taken up for the present 7 properties the owners of which were pressing for their acquisition, have already been acquired at a cost of Rs. 8,141/- I do not think that it is possible to set free any further sum out of the normal state grant for the year 1917-18 without prejudice to other works of the Trust Board budgetted for the current official year

Property No (96) 502 to the east of the Palace

Treasury, about the acquisition of which you spoke to me the other day, is not notified for acquisition. Its cost may come up to about Rs.24,000/-.

Yours sincerely,

Sd/ T.G. Lakshmana Rao,

To

Mirza M Ismail Esq , B A ,

Huzur Secretary to His Highness

the Maharaja of Mysore, Mysore.

Proceedings of the Government of His Highness the Maharaja of Mysore.
